

Governor Owens:

Stop Planned Parenthood's illegal taxpayer supported ABORTION RACKET

Colorado State House Representatives have voted to defeat a Long Bill Amendment, offered by Rep. Dave Schultheis, R-Colorado Springs, that would have ended the state's illegal subsidies to Colorado abortionists like Planned Parenthood.

Citing the voter passed Article 5, Section 50 to the Colorado Constitution, the Schultheis amendment would have prevented state funds going to abortion provider, advocate, and referral organizations such as Planned Parenthood of the Rocky Mountains.

"This is an amendment against deception," stated Rep. Schultheis from the House floor.

Two years ago Governor Bill Owens' administration took preliminary steps to ensure Planned Parenthood could no longer illegally use tax dollars "directly or indirectly" for abortion. Offering egregious proof of continued unconstitutional activity on the part of Planned Parenthood, Rep. Schultheis showed House members documented evidence, compiled by Christian Coalition of Colorado investigators, that demonstrates a direct link between the taxpayer supported Planned Parenthood of the Rocky Mountains and the performance, advocacy, and referral for abortion.

The people of Colorado, and our Governor, should be outraged that Planned Parenthood continues to arrogantly snub their nose at the Colorado Constitution to continue their deadly big-business interests. Given how far in the hip pocket of the abortion lobby some legislators are, the time has come for Governor Owens to step in and put a stop to Planned Parenthood's illegal taxpayer supported abortion racket.

The Christian Coalition of Colorado calls on Governor Owens to honor his previous pledge to eliminate tax dollars to abortion provider, advocate, and referral organizations such as Planned Parenthood.

Given the mountain of evidence showing the shameful nature of Planned Parenthood's abortion practices, will Governor Owens make good on his word and end this outrageous use of the people's money?

Chuck Gosnell
President
